Helping People. Changing Lives.

Community Action

PROGRAM COMMITTEE, INC.

The Town Hall in Century Florida on Thursday November 6th and Friday November 7 th from 9:30 AM until 3:30 pm

Client Eligibility

- Assistance must be both energy-related and disaster-related.
- Use presumptive eligibility for residents affected by the storm.
- Serve households at or below 60% State Median Income (SMI).
- Obtain current income documentation when available.
- Prior usage, unpaid bills, and past-due charges threatening disconnection—even if incurred before the disaster—are eligible when they impede reconnection or threaten health and safety.
- Costs such as late fees, deposits, past-due charges, or reconnection payments are allowable if needed to restore service impacted by the storm.
- Assistance must be both energy-related and disaster-related.
- Applicants must reside in an impacted county.
- Applicants must meet all other requirements of the current LIHEAP Subgrant Agreement.
- Accept eligibility documentation from other state or federal programs.
- Displaced households temporarily residing elsewhere remain separate households for eligibility and must be assessed independently.

Locations will change to meet needs!

What to expect: education and Weather/Disaster related assistance funded by the Florida Department of Commerce and AGENCY FUNDS ARE LIMITED.

Eligible LIHEAP Disaster Crisis Benefits:

- **Temporary Housing**
- **Transportation**
- **Generator Purchase & Fuel**
- **Utility/Electric Reconnection Costs**
- **Electrical Power Cable Connection**
